Volunteer Central

Community Life Center is always in search of people with giving hearts who want to help transform our community. Here is how you can help:

Like to COOK?

We are searching for **someone with restaurant management experience** to lead our community dinner program, "Our Father's Table." If you or someone you know fit this description, can be available 2 Fridays each month, and have a heart to help our neighbors, email us at CommunityLife@PRFchurch.org.

We also are seeking people to prepare and cook for these meals. Kitchen helpers should be available to work a 4-hour shift between 12 p.m. and 8 p.m. two Fridays per month starting in Sept. and be a smiling face with attention to detail and a willingness to follow the instructions and leadership of the on-duty kitchen manager.

Volunteer Spotlight

MEET DYEANNA FLOWERS

Dyeanna Flowers is among the crowd of Community Life Center's most passionate and devoted supporters.

This incredible lady can be found on any given day cleaning the pantry, logging supplies, hauling in a load of donations or spurring new business partnerships and gifts for Community Life Center or a number of other charitable causes she volunteers for in the West Volusia community.

Flowers is a longtime Licensed Practical Nurse, or LPN. She graduated from Bible college and taught Bible classes for years in the Appalachian Mountains of east Kentucky.

Flowers loves to play the piano and is an avid gardener who cherishes the

proud fruits of her 25 pineapple plants.

Meanwhile, one of the things Community Life Center leaders and volunteers love so much about her is her passion for finding bargains and great deals. (She's famous for finding spaghetti

sausages for just pennies and noodles for nearly free, and she knows just where to get a great box of cereal for next to nothing!)

Originally from the flowing flat plains of North Dakota, this beautiful woman who hails from a modest German heritage was raised on a farm full of cattle and grain fields as the only daughter and youngest child of four children.

She's also full of fabulous surprises! Don't let Flowers' small stature fool you, this fantastic farm girl is full of unrelenting strength and vigor. She often can out-lift many of her volunteering comrades at CLC without batting an eye!
